

Certificate of Non-Use of Conflict Minerals

To Our Valued Customers Worldwide,

Based on a Guarantee of Non-Use of Conflict Minerals obtained from our materials suppliers, we hereby declare that, to the best of our knowledge, the products supplied have been designed and manufactured in compliance with the Electronic Industry Code of Conduct and to only source material from environmentally and socially responsible suppliers.

- Guarantee of Non-Use of Conflict Minerals.
- Requesting that our suppliers report immediately if there are any conflict minerals used in supplied products.
- Requesting that our suppliers undertake commercially reasonable due diligence with their supply chain to assure that minerals used in supplied materials are not sourced from mines in conflict areas.

Furthermore, we expect our suppliers to conduct their worldwide operations in a manner that does not result in labor or human violations such as the direct financing of armed conflict in its role as responsible corporate citizen.
