

RoHS Certificate of Compliance

GRINN certifies to the best of its knowledge that GRINN's products are compliant with the threshold requirements of the European Union Restriction on Use of Hazardous Substance Directive 2002/95/EC (RoHS1), Directive 2011/65/EU (RoHS2)

GRINN position is that its System-On-Modules (chiliSOM, liteSOM) and boards (chiliboard, liteboard) products are considered components under RoHS1 and RoHS2. Therefore, the CE marking, EU declaration of conformity and internal control provisions stipulated in Article 7 of RoHS 2 do not apply.

GRINN bases its materials content knowledge on information provided by third parties and has taken and continues to take the commercially reasonable steps to provide representative and accurate information on the RoHS compliance of its products.
